

Money. From an early age, we are taught how to earn it, save it and invest it. The one thing however that no one bothers to teach us is the noble act of giving money away for the betterment of society.

Centuries ago, the Greek philosopher Aristotle aptly described the difficulty of this act saying,

"To give away money is an easy matter and in any man's power, but to do this to the right cause, to the right extent, at the right time, with the right motive and in the right way, that is not for everyone, nor is it easy."

This publication is dedicated to the many individuals, non-profit groups and companies who judge The Hills Centre as a community resource worthy of their financial support.

We applaud our Donors on this auspicious occasion with the knowledge that generations to come will continue to reap the benefit of their community commitment and generosity.

Bicentennial Community Committee
10 September 1988

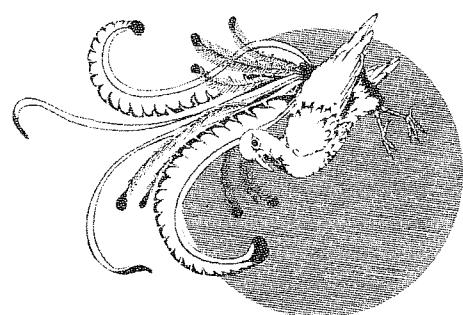

In March 1988, the Board of Directors approved an ambitious long-term Development program for the Centre to increase its sources of funding from both the private and corporate sectors.

The continuous support of the corporate world and a great many individuals is needed if the Centre is to truly succeed. The *first* wave response to our Commemorative Brick and Theatre Seat appeals has been most encouraging. With the inauguration of our public membership program – The Hills Centre Friends – another essential component of the Development scheme was set in motion.

The Board wishes to express its gratitude and heartfelt thanks to all our loyal supporters, large and small. Please consider adding your name or that of your company to our rapidly growing list of Centre Donors. You will be making a sound investment in the future of your community.

The Hon. Mr. Justice Hemmings
Chairman,
The Hills Centre Ltd.

THE HILLS CENTRE COMMEMORATIVE BRICKS

The building of a brick Forecourt reminiscent of a Roman amphitheatre at The Hills Centre provides a unique opportunity to involve the whole community in a *highly personalised* fund raising initiative. Norbrik, the brick manufacturer, is congratulated for having the foresight to bring the production technique to Australia and for further developing the hand inscribing process for The Hills Centre.

Inaugural donors to the Commemorative Brick campaign are listed in the following pages. Commemorative Bricks will be placed into the Centre's Forecourt according to the date of donation and the order requested by the donor. However, to assist donors to locate their nominations, we have prepared a complete alphabetical list of names inscribed on the Commemorative Bricks as well as an alphabetical list by Forecourt section.

The Hills Centre Commemorative Brick initiative will re-open on 15 September 1988.
